We have one goal – to be Australia’s most loved car company. To get there, we’re driven by the simple philosophy that life’s most incredible moments shouldn’t be reserved for a select few, and everyone should be able to experience an exciting and enjoyable drive.

So, how do we make that happen? We start by pushing our own boundaries, by making premium the new standard, and by engineering the most enjoyable ride possible.

The iLoad is a flexible and practical commercial vehicle that is designed tough. The robust and reliable 3 seater van (or 6 seater crew van) won’t let you down, no matter what you ask of it.

We believe your commercial vehicle should work as hard as you do – which is why we’ve pulled out all the stops to ensure the iLoad surpasses all your expectations. Because whether you spend all day picking up and dropping off in town, or you simply need a reliable, functional partner to work alongside you on site – your work van is a mobile business hub that’ll give you the freedom, connectivity and reliability to keep your business moving forward.
Loaded for safety.

Whether you’re carrying people, or payloads, it’s vital you get to your destination safely. That’s why we’ve made the iLoad tough, practical and full of safety technology.

We take our commitment to driver, passenger, and cargo protection seriously.

The driver and front seat passenger are protected (and reassured) by front and side airbags. These airbags offer an added layer of defence against side impacts. In a serious accident, they instantly inflate to form a cushion that will help protect you and your passengers from injury.

Our four ring strengthened body with rigid cabin also gives better all round security, while a rear view camera allows you to stay alert to hazards behind the vehicle.

Anti-lock Braking (ABS), Electronic Stability Control (ESC) and the Traction Control System (TCS) work in harmony to give you better control during emergency braking by manipulating brake pressure and engine output.

No matter where you take your iLoad, you can be confident that we’ve done everything we can to ensure an all round safer ride.

1. Not available with twin swing doors.

ANCAP Safety

4 star ANCAP safety rating
Practical performance.

Whether you’re making deliveries in town, raking translate to the job site, or moving people from one place to another – the iLoad has been engineered tough, in order to handle the heaviest of loads. The 2.5L CRDi diesel engine delivers power and torque when you need it most on your commutes to your next job.

We’ve also fitted the iLoad with Macpherson strut front suspension and heavy-duty leaf spring rear suspension for optimal load-bearing.

Need to carry a heavy load? The iLoad has a 2,000kg (braked), or 750kg (unbraked) towing capacity with the 6-speed manual transmission, and 1,500kg (braked), or 750kg (unbraked) with the 5-speed automatic transmission. The iLoad will continue to perform time and time again, and will soon become one of the most trusted and hardworking members of your crew. If you’re looking for a commercial van with real get up and go, look no further than the iLoad.

Style that works.

The iLoad is a commercial van not only designed to perform, but to look great – no matter what it’s doing. From the flowing front black grille to the rear bumper, the iLoad is stylish and practical. Dual sliding side doors, and twin swing (or single lift back) rear doors provide easy entry and loading of freight, tools, people and packages. It might be why more and more Australians are choosing the iLoad as the perfect solution to their everyday commercial needs.

It doesn’t stop there. The iLoad also features automatic dusk sensing headlamps where as soon as the light dims, either at dusk or when encountering low light levels such as in tunnels or underground car parks, the iLoad’s headlamps turn on.

A sleek and sophisticated, hardworking vehicle – the iLoad is perfectly designed to look at home in the city or the job site, while maximising every square inch of space.
The iLoad is spacious and ergonomic — with plenty of space for people, and cargo.

The iLoad comes with comfortable, woven cloth two-tone grey seats (adjustable for the driver), cruise control, head restraints and a tilting and telescopic steering column.

If you’re looking for a van with plenty of room – the 3-seater iLoad is the answer. It comfortably holds you and two passengers, and features a cargo space that’s 2.37 meters long, by 1.62 meters wide, and 1.34 meters high — large enough for two pallets.

The 6-seater crew van is the perfect choice for those jobs that require both the movement of cargo, and the movement of your greatest asset, people. By adding a second row of seats, you’re able to double the amount of people you can move, while still maintaining up to 2.5 cubic metres of usable space.

The floor area is big enough to fit two pallets (3 seater van), is covered in durable vinyl, and comes with tie-down hooks to make transporting goods safe, and simple.

The iLoad is a practical and functional van that’ll deliver time after time.
Driving your business forward.

The iLoad may be a versatile work van, but it also comes packed with technological features including keyless entry and burglar alarms.

We’ve integrated Apple CarPlay™ and Android™ Auto so you can use the 7” touchscreen display to safely play music, make calls or ask for directions via the maps app on your smartphone device.

The iLoad is convenient and has you covered: with power windows and mirrors, steering wheel mounted audio controls, and a rear view camera it makes reversing simple and safe.

No matter what business you’re in, it’s easy to stay connected, anywhere, anytime. You could say the iLoad is a complete mobile office solution.

The right balance for your business.

The iLoad is a truly adaptable commercial vehicle, and as such, the perfect fleet choice – so, if you’re serious about finding the right van for your business, talk to us about the Hyundai Fleet Advantage. It could help reduce your fleet’s costs and environmental impact, while providing a safe, secure, and spacious solution for transporting people and cargo.

The smart fleet choice

The iLoad has great fuel efficiency and class-leading cost of ownership that minimises off routine and service costs. It also comes with an impressive 5-year/160,000 kilometre warranty.1

Environmental credentials

We’re committed to sustainability through intelligent and informed fleet choices. So, if you can’t reduce your fleet, you can make clever choices about the commercial vehicles you select. Talk to us about how we can help reduce your carbon footprint, and achieve fleet emission goals.

Hyundai fleet safety

We’ve integrated comprehensive passive and active safety technology into the iLoad to help protect your greatest assets – your people.

Whole-of-life

Whole-of-life is the calculation of the total projected cost for the operation and management of your commercial vehicle fleet. We’ll support your decision to choose us as your fleet partner, and help you balance your fleet management equation. That’s the Hyundai Fleet Advantage.

1. For ultimate peace of mind, with Hyundai Commercial vans backed by an impressive 5-year/160,000km warranty, whichever comes first.
The iLoad is a highly functional utility vehicle, and we’ve designed a suite of practical, and stylish Hyundai Genuine Accessories that’ll ensure it’s the perfect fit for whatever you need it to do.

Got a lot of gear? Add commercial roof racks for even more storage, or tailored rubber or cargo mats for extra protection from heavy loads. A cargo barrier offers an extra layer of protection, and a full technician kit makes getting down to business, fast and efficient.

It’s safe to say that you’ll find a Hyundai Genuine Accessory to suit just about any job.

Hyundai Genuine Accessories

1. All Hyundai Genuine Accessories are subject to warranty conditions. See your nearest Hyundai Dealer or visit... for terms and usage recommendations. 2. Requires fitment of Roof Racks at an additional cost, load capacity = 75kg evenly distributed across 2 bars with secure lock function. 12. Requires fitment of Roof Racks at an additional cost, load capacity = 75kg evenly distributed across 2 bars. Maximum loading of the roof pod must not exceed the maximum load capacity of your roof racks. Please refer to your specific roof racks for maximum load capacity.
CarPlan. 
The smarter way 
to finance your new Hyundai.

Life’s full of surprises and while you won’t always know what’s around the next corner, with Hyundai CarPlan™ you’ll always have the right car for the journey there. It’s a smart and flexible way to have the vehicle that’s perfect for you, even as your lifestyle changes.

Hyundai CarPlan™ has been developed by Hyundai Finance™ to provide flexibility at the end of your finance contract, letting you enjoy the new Hyundai experience again and again. At the end of your finance contract you can pay any amounts owing on your finance contract to keep your Hyundai or trade it in at your preferred Hyundai dealer to step into the latest Hyundai model and continue your journey with us. The choice is yours.

In a nutshell.

1. Choose your Hyundai model
Visit a participating Hyundai dealer and select an eligible new or demonstrator Hyundai that best suits your lifestyle.

2. Choose an eligible finance solution
You can choose your desired finance contract term of 36 or 48 months and the kilometres you intend to travel up to a maximum of 25,000 per year.

3. We’ll then tell you:
- How much your regular payments will be over the finance contract term?
- The Guaranteed Trade in Value for your new Hyundai. The Guaranteed Trade in Value is the value of your new Hyundai at the end of your finance contract as determined by Hyundai Finance™ subject to Fair Wear and Tear conditions and agreed kilometres not being exceeded.
- We’ll also give you a copy of the Fair Wear & Tear Guidelines, setting out the condition requirements you’ll need to maintain over the finance contract term to avoid any adjustments to your Guaranteed Trade in Value under the GTV terms.

1. We’ll then tell you:
- The Guaranteed Trade in Value for your new Hyundai. The Guaranteed Trade in Value is the value of your new Hyundai at the end of your finance contract as determined by Hyundai Finance™ subject to Fair Wear and Tear conditions and agreed kilometres not being exceeded.
- We’ll also give you a copy of the Fair Wear & Tear Guidelines, setting out the condition requirements you’ll need to maintain over the finance contract term to avoid any adjustments to your Guaranteed Trade in Value under the GTV terms.

2. Choose an eligible finance solution
You can choose your desired finance contract term of 36 or 48 months and the kilometres you intend to travel up to a maximum of 25,000 per year.

Our fixed rate loans are available with or without a deposit – whichever suits you!

Keep your Hyundai by paying any amounts owing on your finance contract or applying through Hyundai Finance™ to refinance the loan residual balance.

Trade
- Retain: Trade in your Hyundai at your preferred Hyundai dealer and apply for another Hyundai CarPlan™ giving you the chance to step into the latest Hyundai model and continue your journey with us.

1. The feature is available on all new and demonstrator Hyundai vehicles on selected models only. Please verify with your dealership which vehicles are eligible for the programme.
2. Please read the full terms and conditions. Please consider whether these products and services are appropriate for your circumstances. Please seek independent tax advice. Full terms and conditions are available upon application. Available only to approved applicants of Hyundai Finance. ™ Subject to credit assessment and for lending criteria. Fees and charges apply. Fleet, government, rental buyers, hire car and chauffeur companies are excluded. Available at participating Hyundai dealers.
3. Your total interest charged may be higher if you choose the Guaranteed Trade in Value feature for your loan, compared to a loan without the feature.
4. If the Guaranteed Trade in Value applies and the vehicle is not returned in an acceptable condition, as defined in the terms and conditions or the Guaranteed Trade in Value terms, your Guaranteed Trade in Value will be reduced and you’ll be required to pay the difference.
How does Hyundai’s new CarPlan differ from typical Hyundai financing?

## Greater confidence

Hyundai CarPlan™ will ensure the amount you receive on trade in satisfies the final repayment, even where the value of the trade in is less than the final repayment amount.

## A personally tailored solution

You may decide on the term for your finance contract, the deposit you would like to pay (if any) and the kilometres you intend to travel.

## Greater flexibility

At the end of the finance contract term, you’ll have the choice to keep your Hyundai, or trade it for a brand new one.

## More options

You have the option to include things like Pre-Paid Service Plan, insurance and accessory costs as part of your fixed-rate loan agreement.

To ensure you enjoy the full benefits of the Hyundai CarPlan™, your Hyundai must be in an acceptable condition when you are trading it in for your new Hyundai and must not exceed the kilometre limit you have selected. Of course, we also understand that some reasonable wear and tear is to be expected, but it needs to remain within the provisions of your Hyundai CarPlan™ contract and Fair Wear & Tear Guidelines.

Where the vehicle is not in an acceptable condition or where you have exceeded your kilometre limit, the Guaranteed Trade in Value of your vehicle will be reduced.

Hyundai CarPlan™ is just one of many options available from Hyundai Finance™, so there may be another product that suits your individual needs better. Have a chat to your participating Hyundai Dealer about what’s right for you.
There’s a reason why our iCare program is so highly regarded. We built Hyundai iCare around one simple, innovative idea. That comprehensive on-the-road care should come standard with every car—not just as an “optional extra.”

Our 5 years/160,000 km warranty means you’ve got the freedom to go ahead and drive without having to keep an eye on the odometer.

Imagine knowing the maximum price of your next scheduled service, before pulling into the service centre. That’s the advantage of our Lifetime Service Plan—a clever Hyundai initiative that gives you transparency and peace of mind for the life of your car. No hidden fees and surprises.

Since every new Hyundai is built to the highest standards, we’ve got the confidence to offer comprehensive customer service without exception. Or as we like to say, amazing as standard. That includes 24/7 Roadside Support for up to ten years when you service with us.

---

1. A new iLoad comes with a 5 year/160,000 km warranty (whichever occurs first) regardless of usage. Refer to full warranty terms and conditions for details and exclusions.
2. Lifetime Service Plan: For the benefit of Hyundai owners, Hyundai provides online quotes, which specify the maximum price applicable for a vehicle's next scheduled maintenance service at a participating authorised Hyundai service centre. Online quotes are available at www.hyundai.com.au, apply for a stated effective period only and may change after that effective period without notice. Standard scheduled maintenance services are of limited scope. The benefit of online quotes is available for all Hyundai’s, for their lifetime.
3. Roadside Support Plan: Complimentary 12 months Roadside Support when you purchase a new Hyundai passenger vehicle (excluding rental buyers). Further Roadside Support extensions are available if you service with us. Roadside Support Plan’s entitlement periods are as follows: Hyundai Roadside Support Plan is offered for up to two years when you service with us. Further Roadside Support Plan’s entitlements may vary according to the date of a scheduled maintenance service at a participating authorised Hyundai dealer (unless vehicle is more than 108 months (9 years) from the original new car sale date, in which case entitlement to Roadside Support ends when vehicle reaches 120 months (10 years) from original new car sale date).
Big help, for little Aussies.

Every time a new car is sold at one of our Dealerships, both Hyundai and the Dealer will donate part of the sale price to Hyundai Help for Kids™.*

Hyundai Help for Kids™ offers funding to child-focused organisations and charities working to improve the lives of children all over Australia – from supporting community initiatives, to providing much-needed medical equipment. So when you buy a Hyundai, you’re buying more than just a car. Together with Hyundai Help for Kids™, you’re empowering thousands of young Australians and giving them a better future.

*Hyundai Help for Kids™ is a registered trademark of Hyundai Motor Company.
Australia, in our DNA.

We’re one of the biggest car manufacturers in the world – and one of the fastest growing global car brands. We’re also the only car company in the world producing its own steel, because we know the best steel makes for the strongest cars.

That’s why we source the majority of our high quality iron ore from right here, in Australia’s backyard. So now, when you buy a new Hyundai, you know you’re driving a car that’s directly connected to home.
### Hyundai iLoad
